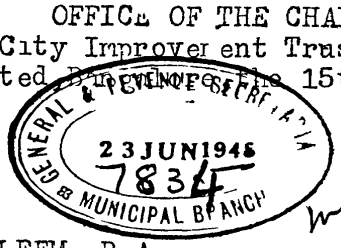
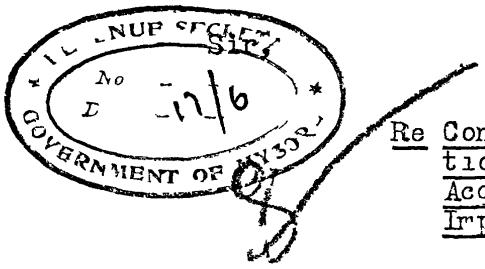
OFFICE OF THE CHAIRMAN,
City Improvement Trust Board,
Dated Bangalore the 15th June 1948.



To

SANAB SYED ABDUL ALEEM, B.A.,
Secretary to Government,
Revenue Department,
BANGALORE



Sir,

Re Continuance of the Additional staff sanctioned to the Office of the Special Land Acquisition Officer attached to the City Improvement Trust Board, Bangalore

Adverting to Government Order No L 14557-60/M1. 13-47-56 dated 15-3-48 sanctioning the establishment of an additional staff of 2 clerks, 2 Revenue Inspectors and 2 peons to the Office of the Special Land Acquisition Officer up-to the end of June 1948, I have the honour to state that the Special Land Acquisition Officer in his letter No.409/47-48 - dated 31-5-1948 (copy enclosed) has stated that due to enormous work undertaken by the Trust Board, the work cannot - obviously be attended to by the basic staff of 1 Revenue Inspector, 1 Surveyor, 1 Head-Clerk and 2 Clerks sanctioned in G O No L 401-7/M1.13-46-131 dated 5-7-1947 and requested that the term of the additional staff sanctioned in Government Order dated 15-3-1948 may be extended up to the end of June 1949

In this connection I wish to state that the number of cases pending disposal as on 31-5-1948 was 1,141 In addition-to the work connected with the Schemes already sanctioned preliminary notifications in respect of (1) the acquisition of properties for the extended area of the Industrial Suburb

P T O

involving 675 Acres 4 Gts. and (2) acquisition of lands for the Textile zone of the Industrial Suburb involving 560 Acres 5 Gts have been prepared and published in the Gazette and preliminary and final declaration statements for the acquisition of - 277 Acred 31 Gts. required for the Kanakanapalya "A" Block sanctioned by Government have been prepared and is under submission to Government for publication in the Gazette.

The Trust Board has also proposed to take up the following Schemes of lay-out

1. Vyalikaval Extension.
2. Guttahalli Extension
3. Ramakrishna Mutt Extension,
4. Doddabylakhana Extension,
5. Gavipur Extension
6. Proposals to continue Bull Temple Road to connect - Narasimharaja Colony.
7. Slum Clearance in front of Sharada Stree Samaj on the Albert Victor Road.

The acquisition of properties for these Schemes involves considerable work as the necessary preliminary and final notifications have to be prepared before sanction to the acquisition is accorded and then objections have to be heard and awards passed. All this means a lot of work

I am of the view that in the circumstances explained above the continuance of the additional staff asked by the Special Land Acquisition Officer is necessary till the end of June 1949 for the completion of these acquisitions.

I therefore request that sanction of Government may kindly be obtained for the continuance of the additional staff sanctioned in Government Order dated 15-3-1948 up-to the end of June 1949. Necessary provision required in this behalf will however be made in the Budget of the Trust Board for 1948-49 which is under submission. Formal Resolution of the Board will also be

obtain assistance in this behalf.

The favour of early orders is solicited as the present term of this additional establishment expires on 30-9-1918.

I have the honour to be,
Sir,
Your most obedient servant,

Office of the Special Land Acquisition Officer, City Improvement Trust Board,
Dated, Bangalore the 31st May 1948.

To

The Chairman,

City Improvement Trust Board,

BANGALORE.

Sir,

Re: Continuation of the Additional Staff of this office.-

With reference to G.O.No.L.14557-60/M1.13-47-56 dated 15-3-1948, sanctioning the establishment of an additional staff of 2 clerks, 2 Revenue Inspectors and 2 peons for this office up to end of June 1948, I have the honour to state, that of the officials posted against these posts, three of them, reported themselves for duty in this office on the dates noted against them in the margin. One of the clerks has not reported himself for duty at all.---

1. Sri. T.S. Srinivasaiya, Revenue Inspector	3-4-48	
2. " S. Subba Rao, Revenue Inspector ..	15-5-48	up till
3. " D. Pattabhiramiah, Clerk. ..	29-4-48	
4. " B. Bettachar, Clerk.	Not - reported for duty	now.

At the time of my submitting the proposals for the entertainment of the additional staff, I had stated that the position regarding the adequacy or superfluity of the staff of my office might be reviewed after 30-6-48 and retrenchment or enhancement effected as may be found necessary.

The number of cases at the time of my making the above proposal was 1,167. The number of cases on file as on 31-5-1948 is 1,363 and as Government have ordered that the acquisition of properties for the improvement of Dobspet and Vasanthanagar may be held up for the present, the number of cases to be disposed of is 1,141. The work to be attended to has therefore not appreciably decreased in spite of disposals from time to time.

P.T.O

In addition to these above schemes already sanctioned, preliminary notifications in respect of (1) the acquisition of properties for the Extended area of the Industrial Suburb involving 675-4 and (2) acquisition of lands for the Textile Zone of the Industrial Suburb involving 560-5 have been prepared and published in the Gazette, and preliminary and final declaration statement for the acquisition of 277-31 for the extension of Kankanpalya 'B' Block have been prepared and submitted for obtaining sanction of Government.

The Trust Board has also the following programme of Improvement works on hand:

1. Vyalikaval Extension,
2. Guttahalli Extension,
3. Ramakrishna Mutt Extension,
4. Doddabylkhana Extension,
5. Gavipur Extension,
6. Proposal to continue Bull Temple Road to connect Narasimharaja Colony

The acquisition of properties for these schemes involves preparation of necessary preliminary and final notification before sanction is accorded for the acquisition, and this preliminary work alone is considerable

All these items of work cannot obviously be attended to by the basic staff of 1 Revenue Inspector, 1 Surveyor and 1 Head Clerk and 2 clerks. It is in my opinion quite imperative that this additional staff should be continued for at least 1 year longer. I might mention that according to my original proposal, I had recommended for the appointment of 6 clerks and 3 Revenue Inspectors (with one peon for each of the Revenue Inspector's) to cope with the work on hand as against which, Government sanctioned the appointment of only 2 Revenue Inspectors and 3 clerks. And furthermore, the officials who were posted from other offices did not all of them report

themselves to duty and even those who did come have been on duty only since about two months ago.

I therefore submit that the term of the additional staff has to be extended up to end of June 1949 and I request that a strong recommendation may be made to Government to this effect. As it is desirable that sanction of Government should be obtained well in advance of 30th June 1948, I request that favour of immediate action.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/-M A S RAJAN
SPECIAL LAND ACQUISITION OFFICER.
